

# Reservations that handle themselves.

A voice assistant that answers the phone in your guests' language, a live floor plan of your restaurant and automatic notifications, in one system.

Answers 24/7

English, German, Romanian

Phone and website chat

1

## Voice agent

Answers the phone and the website, checks free tables and books on the spot, with a warm, natural voice.

2

## Live floor plan

Dining room, private booths and terraces, every table colour-coded by status, on desktop, tablet and phone.

3

## Notifications

Confirmations, reminder calls and SMS, cancellations and a waiting list, sent automatically.

### PACKAGES AND PRICES

## A fixed monthly price, sized to your restaurant
